

## **Addendum to Clubhouse reservation guidelines under Covid-19**

1. Number of persons in the Clubhouse cannot exceed 50 – we recommend keeping the number as small as possible to help with social distancing.
2. Face masks are encouraged to be used, but not required.
3. Tables and chairs that are used must be left set up so that they can be disinfected after your event before they are put away. Have chairs out from tables so they can be easily accessed to be cleaned.
4. You must make sure all trash is picked up and thrown away and that all floors have been cleaned as well as all tables and counter tops wiped down and ready for disinfecting,
5. Reservations will be limited to non-consecutive days to allow for disinfecting between events.
6. Hand Sanitizer and disinfectant wipes will be made available in the Clubhouse.
7. DO NOT remove any sanitizing/disinfecting materials from the Clubhouse.
